

SYNTHETIC DEMONSTRATION DOCUMENT
IN THE DISTRICT & SESSIONS COURT, DARJEELING

Rahul Sharma (synthetic) v. State of West Bengal (synthetic)

NYA-WB-DEMO-04821

APPLICATION FOR INTERIM RELIEF

This fictional filing is provided only for the Nyaya prototype. It is not an official court document, has no legal effect, and contains no personal or government-sourced information.

Jurisdiction

The petitioner submits this synthetic application within the prototype record for a matter presented before the fictional demonstration court named above.

Relief / Prayer

The petitioner respectfully requests interim relief for the limited purpose of demonstrating a document-intake workflow. No legal merits are asserted or evaluated.

Verification

I, Rahul Sharma (synthetic), verify that this demonstration text is created only for a hackathon prototype and is not a factual filing.

Affidavit and annexures

A synthetic affidavit reference is included. Annexure A and Annexure C are referenced for review. Annexure B is intentionally not listed, so the prototype can demonstrate a non-legal intake warning.

Filed by: A. Sen (synthetic), petitioner advocate reference

Note: a court-fee statement is intentionally not included. This is a structural demonstration flag only, not a statement about legal validity.
